

Fraternity and Sorority Hazing Compliance Form

Illinois State University Greek Affairs

We certify that all activities sponsored or required by our national fraternity/sorority of members or aspiring members comply with the Illinois State University Hazing Policy, and with the Illinois state law.

We have informed all chapter member(s) of our fraternity/sorority of the contents of the ISU Hazing Policy. This policy will be read to and discussed with all aspirants at the interest meeting as well as the first fraternity/sorority educational meeting.

We understand that failure to comply with the Illinois State University Hazing Policy as stated in the Illinois State University Code of Student Conduct could result in referral to Community Rights and Responsibilities for disciplinary action both individually and as an organization.

We understand that participation in any hazing activities or knowledge of it and taking no action to stop the hazing is in effect giving our approval to haze. We understand our responsibility to ensure the safety of our aspiring members and to not allow members of our organization, whether undergraduate status, graduate status or affiliated at another institution of higher education, to haze our aspirants. Failure to report any such activity of which you become aware may cause individual referral to Community Rights and Responsibilities for disciplinary action.

Our signatures below certify that we have read, understand, and agree to abide by the Illinois State University Hazing Policy.
