Event & Travel
Funding

RSO Covid-19 Information

The University will continue to follow the most up-to-date health and safety guidance and will make adjustments accordingly when necessary.

Events

Fee Board funding allocations should not be construed to imply that the program or travel is approved. Restrictions on travel, limitations on gatherings, and/or cancellations of conferences/events may eliminate or modify the need for this funding. Funding can only be spent as specifically within the funding allocation letter the RSO receives. Any unused funds cannot be diverted to other RSO funding needs. Any new funding requests must be submitted through the Opportunity Fund process.

Travel

Travel by Sponsored Registered Student Organizations is considered University-sponsored travel. As a result, Sponsored RSOs must follow University guidance and any restrictions related to University-sponsored travel. For information on required University-sponsored travel practices, visit the [University Sponsored Student Travel section on the Fall 2021: Return to a More Traditional College Experience website.](#)

GEER Grant Funding for 2020–2021

- Illinois State University has received a grant from the State of Illinois through the Governor's Emergency Education Relief (GEER) to provide emergency assistance as a result of COVID-19. A portion of this grant is dedicated to support identity-based RSOs in addressing some of the financial barriers that resulted from the COVID-19 pandemic. RSOs can request funds multiple times, but the maximum amount one RSO can receive is \$1,000. Funds must be utilized before August 31, 2022. Budget and Banking

Budget Tracking

- Utilize Excel or other budget software to track budget.
- Keep all original receipts/invoices to pass on to next RSO Treasurer.
- Develop an annual budget that includes operating expenses, events, travel.
- Operating expenses should include meetings, retreats, member recruitment, member recognition, etc.

RSO Bank Account

If needing to set up a bank account...

- [Setting Up a Bank Account Instructions](https://deanofstudents.illinoisstate.edu/involvement/organizations/funding/RSO%20Bank%20Account%20Info_2019.pdf)
https://deanofstudents.illinoisstate.edu/involvement/organizations/funding/RSO%20Bank%20Account%20Info_2019.pdf
 - RSO must set up bank account under their own FEIN (it's like a social security number for an organization).
 - Cannot use Illinois State University/ISU in the FEIN name. Can use other associated words like “Redbird” or “Normal, Illinois”.
- When determining what bank to use, considering walking distance for those students who don't have a car. ie: Heartland Bank in Uptown Normal
- Debit card for RSO bank account not recommended. It is easy to overspend or members accidentally use it for personal purchases.
- Using Venmo or Cash App not recommended. If using it, only use for small amounts and double check information before sending money.
